FROM USS THE SULLIVANS DDG 68

Change of Command Ceremony will occur on June 12th at 10:00 on our Flight Deck and will be broadcast on Facebook Live. COVID mitigations may lead to a different ceremony, but I look forward to turning the best ship in the fleet over to the very capable hands of CDR Burkett. Please join us in this time honored tradition. **WE STICK TOGETHER!**

CDR Pat Eliason | Commanding Officer
