Calling all Shipmates, Family, and Friends,

**We are now a 501(c) 3 nonprofit organization as we have transitioned from the original Association to the SULLIVANS Foundation.** As many of you who attended the last reunion may remember, at the business meeting it was discussed that the Foundation's board wanted to see its legacy continue and grow and suggested that the Association become the Foundation. The advantages of having the infrastructure and tax status already in place it was decided at the meeting to move forward with this.

*Any donations to the Foundation are tax deductible to the extent allowed by law. No goods or services were obtained from us in return for this donation and you should retain this letter as proof of your gift.*

Now we come to you with an urgent matter, DD 537 needs emergency repairs estimated at \$100,000. The harsh Buffalo winter has severely damaged the hull below the waterline. She is listing to port considerably.

Please send donations to our Treasurer @
